TRAINING AND DEVELOPMENT POLICY

Introduction

The Parish Council is committed to the provision of training and development for all employees and Councillors to ensure that they are trained to the highest standard and kept up to date with all new legislation.

All training and development will be aligned to the Council's overall performance and will be compatible with the Council's overall strategy and objectives whilst also having regard to the personal development needs of individuals.

To support this requirement, funds are allocated to a training budget each year to enable staff and Councillors to attend training and conferences relevant to their office.

Policy Statement

The Council is committed to ensuring that it continues to fulfil its duties and responsibilities to residents professionally. To that end the Council's intention is that Councillors, Clerk and any other workers of the Council are suitably equipped with knowledge and skills to carry out their roles and maintain effective working practices.

The Council will procure or provide such training courses, induction programmes and development opportunities as it deems necessary and relevant for the delivery of its work.

Identification of Training Needs

Training requirements for Councillors will usually be identified by themselves in conjunction with the Chairman and the Clerk. Opportunities to attend courses will be investigated by the Clerk and brought to the attention of the full Council.

Annually, the Council will formally review the training needs of Councillors and the Clerk.

Training needs for the Clerk will either be identified through the recruitment process for new clerks, including application form and interview, or formal and informal discussions and annual staff appraisal for existing staff. The Clerk is expected to keep up to date with developments in the sector and highlight to the Council any training required. A record of Continuous Professional Development (CPD) activities undertaken by the Clerk will be reviewed on an annual basis.

Resourcing Training

Annually, an allocation will be made in the budget each year as required to enable reasonable training and development.

Annually, the Council will consider an allocation in the budget for the payment of a subscription to the Society of Local Council Clerks and/or Institute of Local Council Management as well as Suffolk Association of Local Councils to enable the Clerk and Councillors to take advantage of their training courses and conferences. The purchases of relevant resources such as publications will be considered on an ongoing basis.

Evaluation and review of training

All training undertaken will be subsequently evaluated by the Council to ensure that it is relevant to needs, cost effective and that the quality of training is consistent.

Training will be reviewed in the light of changes to legislation or any quality systems relevant to the Council; new qualifications; new equipment; complaints received or incidents which highlight training needs and requests from Councillors, the Clerk or volunteers.

The Clerk will maintain a record of training attended by all staff and Councillors.

Prospective Councillors and applicants for the post of Clerk should be made aware of the content of this policy and the expectations placed upon them contained within it.
